Mary Derphilibossian

FOUNDER AND CEO

Mary brings over 25 years of industry experience as a logistics professional having worked with the UN and global partners in moving freight across oceans and geographies.

In 2024 Mary launched the [Global Logistics Organization Worldwide \(GLOW\)](#) to provide thoughtful leaders in this industry and ambitious professionals across the supply chain, a network to build B2B connections and grow collaboratively, including opportunities for mentorship and leadership training in the logistics industry.

“**GLOW** is a place to excel, share opportunities, and build a community to make long-term connections.”

The Vision

Our vision is to be the heartbeat to reliable partners in the logistics industry. We aim to merge and coordinate with other networks, fostering trust, and building strong partnerships.

The GLOW Promise

GLOW was born out of a passion and a commitment to excellence, GLOW is more than just a name – **It's a promise.**

With GLOW, we aim to foster collaboration across networks and promote an inclusive space for professional exchanges.

Passion: We are passionate about what we do and strive to deliver exceptional service to our members and clients.

Commitment: We are committed to excellence, continuously improving and adapting to meet the evolving needs of the industry.

Unity: We believe in the power of collaboration and unity. Together, we can achieve more and create a strong network of logistics professionals.
